Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116, 98-170
and NSD File No. L-00-72.

Dear FCC:

I personally feel that the rates are high enough. It's bad enough that when you use a tracfone or a regular cell phone that you yourself use minutes and the person on a regular phone gets charged also.

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,

Cheryl Trevorrow
